nails by Dani

No.214 - Bring Out the Beauty

Shades of pink were seen all over the catwalks, and nothing screams Summer like a show stopping pink glitter. This pink is the all singing, all dancing, colour of the season.

No.215 - More is definitely More

This fuchsia shade packs a punch, it's Sunday best meets disco.

No.216 - Violently Happy

If you don't fancy doing bat-crazy-cuckoo, the brilliantly weird sits alongside the truly desirable this season, this coral shade with its beautiful delicate shimmer is it!

No.217 - New Glam

The fabulous shade of turquoise is bold and beautiful, the jazz of nail colour.

JANE HIND

Hi! I am Jane from Watford and was lucky enough to have won a set of gels in the last newsletter competition. I have been coming to Dani since 2011 and have been extremely happy with how my nails look and last. We may pay a little more than high street prices but you get what you pay for which is a first class service from Dani giving that personal touch and she treats

everyone as an individual. I personally only like the colour pink on my nails and Dani very kindly colour matched a certain shade of pink I liked, she added some extra sparkle in the mix and produced a gel she calls 'Jane Pink' which I always wear. My gels always look good, they stay on between appointments and I am very thankful in finding Dani.

NAOMI HERMAN

I have been seeing Dani for just over 3 years after I found her on the internet. Not only do my nails always look great, with compliments from strangers, but their condition has also vastly improved. Dani is a consummate professional and always gives good advice, and not only about nail care. A visit to Dani is like going to visit a friend, pampering and a good old chat about anything and everything.

If I am stuck for childcare I am able to bring the girls (8 & 5) with me and Dani finds things to keep them occupied. Dani also helped me encourage my eldest to stop biting her nails and they have been known to have a manicure as well.

I always look forward to my nail appointment and the girls always ask when they can next visit Dani.

I can't recommend her highly enough.

NATALIE GRANT

I have been using Dani for many years, using Bio Sculpture Gel on my nails on a regular basis and pedicures. Dani is very reliable, chatty and her salon is relaxed with a calm atmosphere. My nails are in a great condition and I always get fantastic advice on how to care for them, using different products. My daughters Lucy and Katie love visiting Dani for manicures on special occasions! I would recommend Dani to anyone, she is very professional.
