nails by Dani

'Shimmering Joy'

The satin finish of this pinky nude adds a subtle layer of glamour and a high end finish to a classic nail colour.

'Magical Merry-Go-Round'

The beautiful tone of this dusky pink has almost oil slick undertones coming through creating a beautiful colour with a unique finish.

'Shine Like a Disco Ball'

The name says it all really, think lorry loads of rose gold sequins dripping from your nails.

'Party Popper'

This glitter drenched deep purple is almost black with a wicked streak.
A new dimension to dark winter nails.

ERICA PHOEBE & KIA YOUNG

Two years ago my nail technician had a baby and I was stuck looking for a Bio Sculpture Gels expert to fill the gap until she returned. I found Dani (who only lives 3 min walk away) on the web. Originally Dani was going to be a stop gap, but the condition of my nails improved dramatically with her care and attention, and

now I am a regular visitor to Dani. Gel nails appointment every 3 weeks and a regular pedicure. She has a large choice of colours to pick from. Last year after a holiday, Dani successfully removed about 15 sea urchin spikes from my foot!

I have recommended Dani to both my daughters, Phoebe and Kia.

GILL FIELD

I first visited Dani in August 2014 before a holiday. My husband found Dani's website, after me complaining about my nails which were in such a bad state broken, brittle and a bad condition. At the first visit Dani made me feel so relaxed with her. She made my nails longer with a few Bio Gel extensions and worked her magic to give me lovely looking nails for my holiday. I now visit Dani every 3 weeks and have healthy nails that always look well maintained. I have now started to have pedicures and what a difference it has made. When visiting Dani we have a cup of tea and a chat, I feel very relaxed and Dani has become a good friend.

MARIA KETTLES

I have been visiting Dani's salon on and off for 10 years. I keep returning as Dani and I always have a good chat. She keeps her salon impeccably clean, applies my Bio gel nails as close to the cuticles as possible so the regrowth does not show so quickly and my gels last 3 weeks plus. My favourite colours are the dark plums and dark reds.
